

This booklet has an alphabetical list of books that are all available in the School Library. They have been given a broad theme. Some books fall into more than one theme, but only the main theme has been used. You should locate the books in the Library, using the Alice catalogue, and read the blurb as well as reading the first couple of pages before making a decision.

THEMES

Life issues - books about how crime, religion, health, homelessness or bullying affects us.

Fantasy - this refers to books where the author has created a new or different world.

Historical - stories set in the past, including the 20th century and Second World War.

Prejudice - stories where people are discriminated against because of race or simply because they are different from the majority of people.

Relationships - stories about relationships between young people. This covers different types of relationships eg. romantic, friendly, problematic.

Science fiction - books set in the future, where the world is a very different place.

Horror - stories that set out to scare!

Family - books that examine the way people interact within a family setting.

Biography - a person's life story.

Thriller - books that are all action or keep you on the edge of your seat.

Humour - books that make you laugh out loud.

Mystery - either a crime story or a book with a mystery to solve.
